

SEC Rule 605 Disclosure of Order Execution Information

To access monthly Order Execution Information for SunTrust Robinson Humphrey, Inc., please take the following steps:

- 1) Access the VistaOne's website by clicking on the following <http://vrs.vista-one-solutions.com/sec605rule.aspx> (see Note 1 below)
- 2) Scroll down the drop-down menu to SunTrust Robinson Humphrey, Inc. (Please note, that if there are no reports for the firm, there are no orders falling under Rule 605.);

The SEC requires that the disclosure of a market center's order execution information be made available via an electronic data file, standard, pipe delimited, ASCII format, and compressed using a standard ZIP compression. To properly download and access the order execution information, installation of a zip utility program such as WinZip (www.winzip.com) will be required.

For an explanation on how to read the order execution data, please refer to the SEC website at www.SEC.gov.

Note 1

- SunTrust Robinson Humphrey, Inc. relies on the Designated Participant exemption under SEC Rule 605.
